

Message from Mid Suffolk District Council

School Travel:

As we know the majority of children are being educated at home and this is challenging time for parents and carers however we still need them to opt-in for SCC funded School Travel if their child is eligible. Parents must opt in by 31 May 2020 to receive travel for the start of the 2020/2021 school term. If their child already received funded travel parents still need to opt in every year. For more information visit; <http://suffolkonboard.com/optin>

Cllr Wendy Turner

Mid Suffolk District Councillor (Green Party)

Ward of Thurston
