Introduction

The primary objective of internal audit is to review, appraise and report upon the adequacy of internal control systems operating throughout the council. To achieve this SALC adopt a predominantly systems-based approach to audit.

The council's internal control system comprises the whole network of systems established within the council to provide reasonable assurance that the council's objectives will be achieved, with reference to:

- the effectiveness of operations
- the economic and efficient use of resources

- compliance with applicable policies, procedures, laws and regulations
- the safeguarding of assets and interests from losses of all kinds, including those arising from fraud, irregularity and corruption
- the integrity and reliability of information, accounts and data

Methodology

When conducting the audit, the internal auditor may:

- carry out a selective assessment of compliance with relevant procedures and controls expected to be in operation during the financial year in order to be able to complete the Annual Internal Audit Report 2020/21 of the Annual Governance and Accountability Return (AGAR)
- review the reliability and integrity of financial information and the means used to identify, measure, classify and report such information
- review the means of safeguarding assets and, as appropriate, verify the existence of such assets
- appraise the economy and efficiency with which resources are employed, identify opportunities to improve performance and recommend solutions to problems
- review the established systems to ensure compliance with those policies, procedures, laws and regulations which could have a significant impact on operations, and determine whether the council complies
- review the operations and activities to ascertain whether results are consistent with objectives and whether they are being carried out as planned

<p>Section 1 – proper bookkeeping The internal auditor will look at the methods and processes used to manage the council's accounts and in particular that it provides clear data for reporting and monitoring purposes. This includes checking information is accurate, kept up to date, referenced and verified.</p>		
Evidence	<i>Internal auditor commentary</i>	
<i>Is the ledger maintained and up to date?</i>	YES	The council uses an excel spreadsheet to form the basis of their accounting system. It provides data for analysis allowing the RFO to produce clear financial management reports detailing receipts and payments and ensures that the financial transactions of the parish council are accurately recorded.
<i>Is the cash book up to date and regularly verified?</i>	YES	The cash book provides good evidence to support the councils underlying statements. Monthly reports are generated and circulated to councillors detailing expenditure and income at each full council meeting.
<i>Is the arithmetic correct?</i>	YES	Accounting records were spot checked. They are well maintained and clearly identify expenditure and income at any given point.
Additional comments:		

Section 2 – Financial Regulation and Standing Orders		
The internal auditor will check the date the Council carried out its annual review of both Standing Orders and Financial Regulations and in particular check if these are based on NALC'S latest model which include legislative changes.		
Evidence		<i>Internal auditor commentary</i>
Have Standing Orders been adopted, up to date and reviewed annually?	YES	At a meeting on 4 th May 2020 the council carried out an annual review of its Standing Orders, these are available to view on the councils website and are based on the Model Standing Orders produced by NALC IN 2018 which take into account changes in legislation from those produced in 2013.
Are Financial Regulations up to date and reviewed annually?	YES	Financial Regulations were reviewed and agreed at a council meeting held 4 th May 2020. These are available to view on the council's website and are based on the NALC Model Financial Regulations 2019. Comment: Council should look to remove the square brackets on items not needed or relevant to the council.
Has the Council properly tailored the Financial Regulations?	YES	The Financial Regulations have been tailored to the council.
Has the Council appointed a Responsible Financial Officer (RFO)? ¹	YES	At a council meeting held 2 nd November 2020 in accordance with Section 151 of the Local Government Act 1972 (D) (Financial Administration), the council appointed the clerk as the Responsible Financial Officer in accordance with the councils adopted Financial Regulations (1.8).
Additional comments:		

¹ Section 151 Local Government Act 1972 (d)

<p>Section 3 – Payment controls</p> <p>The internal auditor will specifically check bank reconciliation including credit/debit cards and management approval processes and evidence that internal Financial Regulations (FO) are being followed. The internal auditor will examine how regular payments are managed and specifically seek evidence that these have been brought back to the Council for verification purposes especially where the actual payment made differs from the amount previously agreed. VAT should be clearly identified including evidence that claims have been correctly managed. The internal auditor will check if the Council has a clear understanding on eligibility in relation to the General Power of Competence and that s.137 has been correctly applied and managed.</p>

Evidence		<i>Internal auditor commentary</i>
Is there supporting paperwork for payments with appropriate authorisation?	YES	A selection of expenditure items was made, and cross checked against the cash book, invoices and bank statements. A list of payments is presented to councillors ensure formal approval of expenditure and this is correctly minuted. This demonstrates good practice in that there are measures in place that help safeguard public money.
Where applicable, are internet banking transactions properly recorded and approved?	YES	There is clear evidence of good practice – payments are checked by two councillors against invoices and authorised demonstrating the council is working in line with its own Financial Regulations. A schedule of both due and retrospective regular payments is submitted to the council for approval at each meeting. This is also published on the council's website.
Is VAT correctly identified, recorded and claimed within time limits?	YES	The claim for the period of 01/04/2019 to 31/03/2020 in the sum of £3,915.41 was made to HM Revenue & Customs.
Has the Council adopted the General Power of Competence (GPOC) and is there evidence this is being applied correctly? ²	N/A	The council does not use the General Power of Competence.

² Localism Act

Are payments under s.137 ³ separately recorded, minuted and is there evidence of direct benefit to electorates?	YES	Six s.137 payments were identified for the year under review to the total value of £2,895.00 and are in accordance with statutory limits.

Additional comments: The council clearly understands s137 and uses the power appropriately.

Section 4 – Risk management		
The internal auditor will expect to find evidence of the management of risks from identification of what those are for each individual Council through to how these will be managed and the controls in place to mitigate these and that these have been approved by the Council.		
Evidence		Internal auditor commentary
<i>Is there evidence of risk assessment documentation?</i>	YES	This was considered for the period under review at the meeting of the council on 1 st February 2021 and covers in general terms the matters which would prevent a smaller relevant body from functioning. The document details high, medium and low risks to the council and shows clear and concise consideration has been taken to enable good decision making.
<i>Is there evidence that risks are being identified and managed?</i>	YES	There is evidence that the council has taken action to identify and assess financial risks and has considered what actions or decisions it needs to take during the year in order to avoid financial consequences.
<i>Does the Council have appropriate and adequate insurance cover in place for employment, public liability and fidelity guarantee and has been reviewed on an annual basis?</i>	YES	Council has insurance in place under a BHIB Policy which shows core cover of the following: Public Liability £10m; Public / Products Liability £10m and Fidelity Guarantee £250k.

³ Section 137 of the Local Government Act 1972 (“the 1972 Act”) enables local councils to spend a limited amount of money for purposes for which they have no other specific statutory expenditure. The basic power is for a local council to spend money (subject to the statutory limit – of £8.12 per elector) on purposes for the direct benefit of its area, or part of its area, or all or some of its inhabitants.

		The level of Fidelity Guarantee meets recommended guidelines which advises that cover should be at least the sum of the year-end balances plus 50% of the precept / grants.
<i>Evidence that internal controls are documented and regularly reviewed⁴</i>	YES	At a full council meeting on 3 rd August 2020, then again on the 7 th December 2020 it was evidenced that the council reviewed and agreed the Statement of Internal Control in accordance with the Accounts and Audit Regulations 2015. This clearly demonstrates public finances are adequately protected and managed and evidence necessary steps have been taken to mitigate any risks identified. Documentation to support control procedures adopted by the council for payments helps protect the RFO and fulfils an internal control objective.
<i>Evidence that a review of the effectiveness of internal audit has been carried out during the year⁵</i>	YES	The effectiveness of internal audit was covered by full council and approved at a meeting on 3 rd August 2020. By reviewing the terms of reference and effectiveness for internal audit the council has followed guidance and demonstrates that it recognises that the function of the internal audit is to test and report to the authority on whether its system of internal control is adequate.
Additional comments: In accordance with proper practices the council has demonstrated it has taken steps to manage key risks in a way it can justify to a level which is tolerable by transferring the risks and taking out insurance.
